

2015 LICENSED PRIVATE SECURITY COMPANIES

In compliance with the **Security (Protection) Industries Act 2004** I hereby publicly advertise the list of all private security companies that have legally registered with the Security Industries Authority (SIA) for the security guards permits and security provider's licence to conduct lawful security business with clients in PNG for the year 2015. And by virtue of this lawful compliance list I hereby advise all private citizens, interested stake holder and services receivers to take note of these list when engaging licensed security companies for business purposes.
