

Independent State of Papua Guinea
Office of the Registrar
SECURITY INDUSTRIES AUTHORITY

2017 LICENSED PRIVATE SECURITY COMPANIES

In compliance with the *Security (Protection) Industries Act 2004* I hereby publicly advertise the list of all PNG private security companies that are legally registered with the Security Industries Authority (SIA) for their security guards permits and security provider's licence to conduct lawful security business with clients in PNG between 1st January 2017 to the 19th December 2017.

And by virtue of this lawful compliance list I hereby advise all private citizens, business houses foreign embassies, interested stake holders and services receivers to take note of these list when engaging licensed security companies for business purposes. Because it is an offence under the *Security (Protection) Industries Act 2004* for a person or an entity to engage a unlicensed security company(s) with unpermitted guards for business purpose as a penalty fine of K1000 will be imposed on offender(s).

Further security company(s) owners who think they have legally complied with security licensing requirements, but their company(s) names are not listed here are asked to urgently contact our under-listed staff with evidence of compliance before their companies names are listed in the next updated advertisement in early 2018.
